

## DISCLAIMER

I, Jessica Lacorte, am not a Medical Practitioner and I do not perform any medical procedures (however, physical examinations / assessments may be carried out). I also do not encourage any medical treatments to be stopped without your medical doctor's advice.

I am currently practicing under supervision after passing exams of a 2-year online course in Classical Homeopathy. That means until I receive my Diploma and become fully registered with legal bodies in Australia, I will not prescribe any homeopathic remedies without consent and supervision of a fully qualified Australian Homeopathic Practitioner, who is a member of the necessary institutes (AHA and AROH).

My aim is to treat persons, who come to me of their own free will, in the most personalised and holistic way, and also in the gentlest and most natural way. I treat the whole person and not just the disease, according to the laws of Classical Homeopathy. I have been well trained in Classical Homeopathy and do endeavour to do the best for my clients. I may advise clients with regards to diet and lifestyle according to individual needs only to assist them in achieving better levels of health.

I do not prescribe nor do I advocate Homeoprophylaxis.

If, during treatment, your condition worsens or you feel unwell please seek medical assistance.

Jessica Lacorte

Please briefly describe yourself and your lifestyle (work/life balance, physical exercise, hobbies)

Sou empresário, trabalho remotamente em casa. Estou estudando à noite durante a semana.

Finais de semana gosto de relaxar, sair e cuidar das coisas do jardim e da casa. Faço academia 5 dias por semana, das 06:00 - 07:00.

Reason(s) for seeking treatment:

- 1) alergias de pele que estão presente há anos, no centro do peito e no rosto, ao lado do nariz e acima das sobrancelhas. Muita caspa. Não aguento mais ir em dermatologistas que só oferecem tratamentos com creme, que melhoram um pouco e depois volta pior.
- 2) Rinite e asma: minhas crises eram piores, hoje está bem melhor, mas ainda tenho de vez em quando. Pêlo de animais e poeira também me geram alergia. Meu nariz é muito bloqueado. Durmo sempre respirando pela boca. Não consigo pelo nariz. Normalmente tenho uma narina totalmente fechada.

Medical diagnosis:

Current medications (include birth control):

Vitaminas em geral

List past illnesses/infections/hospital procedures including approximate year from birth until present:

Mononucleose - hospitalizado - 2005

When did you last had fever and what was the temperature?

Não lembro. Penso que faz uns 2 anos.

Allergies:

AAS, pelo de gato, poeira.

Family medical history (grand-parents, parents, siblings, uncles/aunties):

Pressão alta, cancer, AIDS, osteoporose, Diabetes.
