

DISCLAIMER

I, Jessica Lacorte, am not a Medical Practitioner and I do not perform any medical procedures (however, physical examinations / assessments may be carried out). I also do not encourage any medical treatments to be stopped without your medical doctor's advice.

I am currently practicing under supervision after obtaining a Cert.III in Health and passing exams of a 2-year course in Classical Homeopathy. That means until I receive my Diploma and become fully registered with legal bodies in Australia, I will not prescribe any homeopathic remedies without consent and supervision of a fully qualified Australian Homeopathic Practitioner, who is a member of the necessary institutes (AHA and AROH).

My aim is to treat persons, who come to me of their own free will, in the most personalised and holistic way, and also in the gentlest and most natural way. I treat the whole person and not just the disease, according to the laws of Classical Homeopathy. I have been well trained in Classical Homeopathy and do endeavour to do the best for my clients. I may advise clients with regards to diet and lifestyle according to individual needs only to assist them in achieving better levels of health.

I do not prescribe nor do I advocate Homeoprophylaxis.

If, during treatment, your condition worsens or you feel unwell please seek medical assistance.
