meningioma

- meninges barrier of brain
- work always pushing open outside my comfort zone.
- Maint job from ~1992 coordinator role

1992 2002 2012 now - conversation ready to happen from 2022.

- visiting teacher also awful
'sell' self to principal etc.
- West End loved it (infants)
- Joy Schloss moved her

got permanent > RSA Cert - Dads Heart Attack

"outstanding"
high academic achievement
After Anzac Day

Alcohol - fell off ladder
iodine allergy reaction
Anemiflower.

March - went to it

Ruthie came. was supposed to go to home + alone
drinking/smoking - felt powerless, angry, frustrated.
dad was apathetic about quitting.

Now - he's gone early like I warned him should be
care for health now so around for me + grandkids.
used to be denigrated as not clever

got transferred. visiting teacher. hated it

Inner Guidance. daddy held me back.

Permanent

loved West End Infants.

Visiting Teacher

pushed me totally outside comfort zone

cried for days. * new env *
job threatened where you loved it
no certainty > dad's heart attack
needed job security.

Coordinator

why accepted the job. #1.

Egos/Ego

no one telling me what to do
IN CONTROL

but had bullies above me. women.

Leadership - they loved that I listened,
took into account their personal circumstances,
Women - tough like needles.

Jay later said sorry but 'it needed to happen'

Reality (1)

happiest
ever
job
WE Inf.

Reality (2)

kept secure job
set up for coordinator < dealing w
hierarchy, 'felt like fraud'
rel w teachers - nourishing
key in being selected.

honesty include

collaborative
Community

- incl teachers in
budget decisions
eg ↓ budget.

\$ = teacher
no extra pay

'I loved my job'

END.

To Diesel took over ~ 1 yr < left job
constantly coping w restructures - change
