| Do Not exceed recommended dosage. Take supplements strictly as directed. If you have any questions, please consult your practitioner |                                     |                  |       |        |       |        |       |               |   |

## Gluten and dairy free

Eat 4-6 smaller meals/snacks per day. e.g 3 smaller main meals and 2-3 small snacks in between.

Include one source of protein with all meals and snacks from a variety of animal and vegan sources.

Animal sources are beef, lamb, game meats, offal, pork, chicken, turkey, fish, seafood, eggs.

Vegan sources are beans, chickpeas, split peas, lentils, tofu, nuts, seeds, nut butters

**Drink 2-3 litres of preferably purified alkaline water daily** *Best mostly sipped between meals to avoid diluting digestive enzymes.* 

No carbohydrates after 4 pm 5/7 days per week. Reduce carbohydrates/Starches and replace with starch-free salad/vege

EXERCISE 3-5 x weekly + YOGA 1-2 x weekly

Record all dietary and fluid intake. Note any symptoms down where they occur. Email prior to next appt

Your Next Appointment: 25th January @ 4 pm

Please give 24 hrs notice if you need to reschedule your appointment, to enable others the allocation of this time.
