To Sue Dawson <suekevindawson@gmail.com>

Hi Kevin,

Below you will find a link to an underlay that you may like but I would need a letter of recommendation from an OT or maybe even your osteo or massage therapist recommending it.

I would only be able to purchase 1 so you Sue would have to get one purchased through her package also.

<https://ilsau.com.au/product/sheepskin-medical-wild-goose-bed-overlay/>

Kind Regards,

**Julie Pascoe**

### Overview:

**Comfort.** Cool in summer and warm in winter and absorbs up to 36% of its dry weight in moisture without feeling damp.

**Durability.** The Hi Temp Medical Sheepskin range is urine & blood resistant

**Suitable** for use in the home, hospital and nursing home

A comfortable pure Australian medical sheepskin with a material backing to ensure the comfort of those spending long hours in bed.

Aids in the prevention and reduction of pressure ulcers by providing even pressure distribution. Keeps the skin dry by offering a high level of moisture adsorption. The user does not suffer irritation caused by perspiration and wetness. Includes velcro strapping to make sure it remains comfortably inplace.

**Padded lining, velcro straps**
