Subject: Confidential- Attn: . RE: Margit Magi (DOB:22/05/1966)

Dear Sara Davies ,

Margit Magi has requested I liaise with you re her dizziness condition. I am reviewing her for possible vestibular migraines. She is reporting neck pain and stiffness and has reduced cervical rotation left and right.

Wondering if you could assist her with neck pain and stiffness.

If you wish to discuss Margit's case in further details, please do not hesitate to contact me.

Kind Regards,
Andy Lynch
