Remedial Massage (Consultation 60 Min)
15:30 · 1h · Tanya McDonald · Massage Room

+30min blocked

Notes
Client advised that he has tightness in the same areas as the last appointment, the addition is in the neck and shoulders. Other than the the client is feeling pretty good.

Treatment.

Same treatment as per previous appointment including massage to the rhomboids, upper traps, pecs and Neck Stretch.

Post Appointment Notes

Client is less tight and is feeling free of pain and tightness.

Advised client to continue stretching and to drink plenty of water.
