### \* Issues you would like to resolve and how much stress do these issues bring you from 1-10 (1 being low stress and 10 extreme stress)

Have always had a really bad relationship with food ! Stress level 10 ! Feel like I'm not being my real self lately, not very happy and I feel like I'm very moody ! I don't have a great relationship with my husband either ! These are all very high on the stress scale
