

Erin.

16/10/25

Trying to let go + release control.

No new rashes but old lesions
still there — brown, rough, like
old scars.

⊛ Send Rnd 5 script.

No more thrush symptoms.

Continue liver work.

2x Congestive headaches up neck
⊛ > salt

Repeat ⊛ ③ ① + Aobl A.F. + Endocrine
System

↳ prone to hypoglycemia

low, shaky
• acbl Insulin •

Clear Roacetane. + monitor liver

Some period time change
+ moodiness
but flow less with
is good.
