Subjective:

Good relief from last session; missed having session last week.

Sensitive to brushing teeth; nausea

Tension headache currently.

Found

More difficult than last time; remembers intermittently sick with son.

Husband - endoscope - inflammation in oesophagus; polyps cut out; 'ruined' oesophagus.

Wanting to improve gut health and microbiome testing; Candice considers allergy test

If eats, has to drink a lot of water as well. Unable to drink hoppy beers - causes heartburn; sourdough aggravates.

Has taken CI medications, slippery elm; querying diet; any other tonics; other than straight medication all the time.

Inflammation; no cellular changes. Moderate inflammation.

Rpt: Pure Natal - takes in evening; taking aspirin as well - easier all together.

Neoclassical

Element: pregnancy

Acupressure: LR-8 left best (better than LU/PC opp); Ht Trib
