Very emotional/sensitive.

Last 10-days intrusive thoughts
so much overwhelm

"doesn't want to be alive"

One part (thoughts) a lot louder

± 6 mps ago — played w. 5yo ♀ friend
who asked him to touch
her private parts — he did —

[Shocked/Shame/GRIEF Trauma] [Kigelia]

feels committed a crime / did
something bad.

JD

[AAA + A J]

[CARC]

[Nate + Mum]
[Cat Care]

Mom/Dad separated for 1yr
in last 2.5 yrs — back together

Two deaths terminal illness ^{then left 3 mps ago}
care for in family ^{again}

[Lots of Emotional Trauma
and Loss]

[lost hope
of family
together]

Intrusive thoughts
e.g. what if I die

[Restore innocence]
Then Mom ran over dog last week.

(2)

Had miscarriage before Finn
@ 18wks — he believes he was
baby meant to die + other
one meant to live.

While pregnant — relationship
turned aggressive leading to
separation.

Both Libby + her Mom were
touched inappropriately.

Dad + grandad have both said
it's the woman's fault
+ Finn blames Lucy too says
she also needs to die
but that's shifting.

[Adam blames Eve energy]
? Lack

~~Also~~
Also has said he has had to
protect himself since birth.
protect from sister hitting him
when she erupts — ~~so~~ he
feels unsafe.

Has run off twice down road
— wakes @ night.

Throat gets tight when with
Dad.
