

ALEXANDRA MIDDLETON
NATUROPATHIC NUTRITIONIST

19th August, 2022

Dear Mr Robert Carter,

This is to write to you that on the 16th of August Gemma Fitzgerald contracted influenza. After seeing Gemma in an online consultation, I have prescribed rest and no work for at least a week to fully recover.

If you would please consider giving Gemma an extension for her upcoming assignment it would be greatly appreciated.

Yours sincerely,

Alexandra Middleton
