NHI# : JCP2375

Date : 03/07/2018 03:15:42 PM

Name: IAN ARMSTRONG
Test: Prostatic Markers
Date Received: 29/06/2018 4:07:13 p.m.
Health Centre: Mount Medical Centre
Doctor's Name: Dr Rob Hilligan
Doctor's Comments: rising.

Test Results:

Patient Details

Patient Name: ARMSTRONG, IAN H

NHI No:

Date of Birth: 19-May-1953

PSA: 18.78 ug/L (0-4.0) **H**

PSA Comment: The elevated PSA exceeds the recommended level for referral (under the MOH guidelines). If this is a repeat raised value, or in the presence of abnormal DRE or other 'red flag' conditions, refer to a urologist. For further information refer to the prostate cancer management referral guidance, Sept 15 document in: <http://tinyurl.com/PCA-MOH>
