Note

The Medicare benefit tax statement contains information of services provided on the nominated Medicare card. You will need to send a written request if you have been transferred or copied from one Medicare card to another during this financial year.

For more information go to <http://www.humanservices.gov.au/customer/themes/medicare-and-your-health>

If you are registered as a family for safety net purposes and you have reached and qualified for one of the thresholds, you should ensure you have claimed the additional safety net benefit before using the Medicare financial tax statement for lodging your tax return.
