Disclaimer

The Australian Immunisation Register is a national register that records vaccinations given to people of all ages in Australia. Vaccinations given before 1 January 1996 are not displayed on the immunisation history statements.

NIP immunisations refer to immunisations required under the National Immunisation Program schedule only, not including COVID-19 vaccinations.

Every effort is made to ensure that personal information contained on the Australian Immunisation Register is correct. The accuracy of vaccination information is dependent on the quality and timeliness of information provided by vaccination providers.

Please contact your vaccination provider if any of the vaccination details shown on the immunisation history statements are not correct. Vaccination providers can call us on 1800 653 809 (call charges may apply) to provide updated vaccination information.

If you have any questions about this immunisation history statement, please contact the Australian Immunisation Register on 1800 653 809.

Privacy and your personal information

The privacy and security of your personal information is important to us, and is protected by law. We collect this information to provide payments and services. We only share your information with other parties where you have agreed, or where the law allows or requires it. For more information, go to servicesaustralia.gov.au/privacy

Services Australia collects personal information from recognised Australian vaccination providers and stores the information in the Australian Immunisation Register. The information is collected for purposes set out in section 10 of the *Australian Immunisation Register Act 2015*. The collection of this information is authorised by the *Australian Immunisation Register Act 2015* and section 130(5G) of the *Health Insurance Act 1973*.
