Disclaimer

The Australian Immunisation Register is a national register that records vaccinations given to people of all ages in Australia. Vaccinations given before 1 January 1996 are not displayed on the statement.

NIP immunisations refer to immunisations required under the National Immunisation Program schedule only, not including COVID-19 vaccinations. A separate COVID-19 immunisation status will appear on this statement when you have received all required COVID-19 vaccinations.

Every effort is made to ensure that the information contained on the Australian Immunisation Register is correct. The data is based on information provided by vaccination providers and the accuracy of data is dependent on the quality and timeliness of information provided.

If any of the vaccination details shown on the statement are not correct, please ask your vaccination provider to provide the correct details. They can call us on 1800 653 809 (call charges may apply).

If you have any questions about this statement, please call the Australian Immunisation Register on 1800 653 809 (call charges may apply).
