Observations

Disclaimer

Laboratory results have been provided by an external provider (4Cyte Pathology - ULTRA) and an interpretation of these results is given here. InstantScripts bears no liability for the accuracy of these results. Please consult your doctor or make an online consultation request with InstantScripts to discuss any of these results. Raw result data is given at the end of this message.

Privacy

The privacy and security of your personal information is important to us, and is protected by law. We need to collect this information so we can process and manage your applications and payments, and provide services to you. We only share your information with other parties where you have agreed, or where the law allows or requires it. For more information, go to instantscripts.com.au/privacy
