## Pathology report

**GIBBONS, EMMA**

FEMALE, 1974-02-24, 41896563481

37 CASEY ST, KEPERRA QLD 4054

**Collected:** 2025-03-18 08:47:00

**Completed:** 2025-03-18 08:10:00

### Observations

| Test                        | Value                                                                                                                                      | Unit   | Range |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|--------|-------|
| Serum 25-Hydroxy Vitamin D3 | 60                                                                                                                                         | nmol/L | > 49  |
| Comment                     | We occasionally see evidence of functional vitamin deficiency and possibly accelerated bone loss with levels in the range of 50-70 nmol/L. |        |       |
