

03/05/2022

Good Afternoon,

The WA Vaccine Safety Surveillance (WAVSS) have received a report **W2205-016581** on an adverse event following an immunisation (AEFI) for

Reiley Paterson (08/06/1987)

The WAVSS team require a copy of the **relevant:**

- Medical records including community documentation
- GP medical records
- Emergency admission notes, summary
- Inpatient / Outpatient progress notes
- Discharge summary
- St John Ambulance paperwork.
- Pathology reports
- ECG Reports

Relating to any treatment received post vaccination, in particular to any treatment to any adverse reaction following a vaccination like adrenaline/admission and observation.

Visit to you on or after the **24/04/2022**.

Consent to provide this information falls under the Public Health Act, 2016 Section 94(5)(c), Public Health Regulations, 2017 Part 2 section 6.

I would be most grateful if the records can be sent via email to this email address WAVSS@health.wa.gov.au, so I receive the notes directly within 24 hours.

Please do not hesitate to contact me should you require further information.

Kind Regards

Western Australian Vaccine Safety Surveillance
