Administrative Observations

Attending Clinician Statement

Although the discharge summary author is usually one of the clinicians responsible for the patient's care at the time of discharge, in some instances the author may not have been a treating clinician.

Confidentiality Statement

If you have been transferred between facilities, you may receive separate discharge summaries. This point in time summary is for the continuation of patient care. Amended pathology or radiology results may become available following discharge.

If you are not involved in the care of this patient, please keep confidential and return to Medical Administration, Gold Coast University Hospital, 1 Hospital Boulevard, Southport Qld 4215.

Did you know GPs can now access key Queensland Health information via the Health Provider Portal? For more information, please search Health Provider Portal or go to: <https://hpp.health.qld.gov.au>
