Dear Kate,

Re: **Miss Lucy Walker**
132 Queenscliff Road
Queenscliff 2096
DOB: 27/02/1983 Age: 42 yrs
Tel: 0412 688 879
Medicare: 2649912789

Thank you for seeing Lucy for assessment of her 4 years' history of constant back pain and wiffness, worse at night and in the first > 1 hour of morning, better with movement. No rash. MRI suggest inflammatory spondyloarthritis. I've asked her to try Celebrex and requested bloods with results to be copied to you.

Past History:

Current:

05/03/2020 Generalised Anxiety Disorder
Eating Disorder
ADHD
