Dear Chris,

Re: Anneliese Dehne
DOB: 12/4/52
Address: 1/56 Tudor St, Bentleigh East, 3165
Phone: 0414 399 546
Email: adehne33@gmail.com

Thank you for seeing Anna, aged 73, regarding a 2nd opinion (to Prof Mottram). Anna would like her HT managed non-pharmacologically. Previously I had commenced her on Cardionutrients Forte- she took one bottle. She has first degree heart block and Prof Mottram has advised her she might well need a PPM in the future. BP at home 142-177/68-90.

Medical history

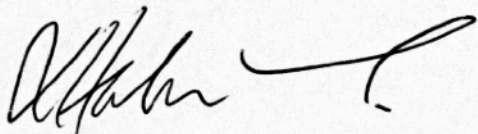

Year	Condition
1998	Fracture L lower ribs (fell onto bath)
2016	CVA 2 ^o AF→ L UL hemiplegia, dysarthria, (+ resolved dysphagia, decreased peripheral vision)
