

# CENTRAL LABORATORY

NABL ACCREDITED (ISO 15189:2012), Certificate No. MC - 2503

SPECIAL BIOCHEMISTRY

Name: Baby Zainab Parween

UHID: AM40051005

Contact: 7873524095

3Y 10M 3D / F

Location: Diagnostic Clinic/BHUBANESWAR

Doctor: Referral Doctor

Ordered: 23-Aug-2021 07:57 AM | Reported: 23-Aug-2021 04:21 PM

Referred By: DR SAHANA SHANKAR

Certificate No. MC-2503

| Test Name                                                     | Result | Units    | Biological Reference Interval                                                                                                                                            |
|---------------------------------------------------------------|--------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| VITAMIN D, 25- HYDROXY<br>(Method: Electro-chemoluminescence) | 19.19  | L ng/ ml | 20.0 - 32.0<br>Deficiency <10ng/ml<br>Insufficiency 10-30ng/ml<br>Sufficiency 30-100ng/ml                                                                                |
