

15.3.24

Conflict w/ daughter

Separated 20y ago when she was 18.

Not sure if she resented me

Her ^{gang}

I got on to my life to be successful
He did nothing to life & down in gutter

She cuts me off. I met someone she doesn't like.

Stops talking to me

I never d/c what

I love her & upsets me.

Strain on my new relat.

She's 40 now.

Always good before separation.

E x made it look like I put him on street, but true.

He's been arrested for paedophilia.

She feels she's the only one there for him.

He's good at manipulating people.

Don't sleep at night

Doesn't let me see her kids

- 15yo + 12yo

2 boys

38

-

+

2 kids

28

-

+

2 kids

16 when separated. No

issues w/ his F.

(5yo at time of separation)

Cut his F out

Live w/ youngest, her father & 2 kids.

All same father

After court - his F went to Belgium - criticised
me

Never was gay when met him. Fell in love.

Stayed in marriage for the kids.

35 - repeated

Belgium. Came here in line at 21.
No family support
My life was here.

Own business - sell labels & printers
Successful business.

When I get on, she calls me every day.
Tells if I say something she doesn't like
Talking about MIL's eqing.

She said I have no right to be there
& that I'd never come to her F's funeral.
Cut me off & her bros for 2 yrs.
I was able to see 3 kids through her
partner.

Another time, I refused to take her to G/f
at 4 am.

Had breast Ca - 14 yrs ago.
I asked her not to tell her F.
She died & I was upset
Not talking the day I had surgery.

40s party I met someone (49) & started seeing
him. She said it's not ok.
She says it's disgusting
best friend of her partner.
Said she's dead to me.
Not able to see my 3 kids

Building up in me

I wonder what's going on for her.
She was OK by previous relat.

C - 2010. - lumpectomy + chemo.
2 mos ago - Cyrt Rt breast. Biopsy NAD.
Some anxiety when it comes up.

Living in Sm. Stuck
⊕ on my own.
He bought 1/2 of house.
- mess everywhere
⊕ move to Kiana (bought house)

New partner - 4 mos ago.
She found out in Jan '24
She's had mouthing him (Christian)
- STDs, Criminal record, ETOH.
Her partner is really nice + said Christian is OK.
Trying to push me away.

Her 60. It's my time + don't see why I
can't

Think it's 2° that mine
Her too angry to talk to her.

feel I've done everything for her
her to do so many wrong things, yet she
puts him on pedestal.
I've done everything for kids.
F: makes me hurt
doesn't appreciate everything I've done for her

? 1st time

- a few months after we separated, she moved out

Part 10 yrs - completely cut me off.
Cuts off people off easily

She had a baby then mis Carriage
While friends sharing about their pregnancies
→ cut them off for life

It's what she does.

He likes being on his own. Spend long time
apart from her partner.

She's using it as an excuse. Move to it
Last relat. not great & took me time to recover.
He moved in; not working; Clash in my sm
verbally abusive. Told him to move out → No

NVO after verbal abuse

Went to Court to get him out

I said I didn't want him in my room.

Kept coming in

→ charged to assault

→ financial costs.

F: Cranky at myself. Signs were there.
Didn't like having to go to Court

Sep. 2017.

Marriage - 20yr. Last 10yr - Co-parenting
not together

Relief to separate
I found myself new place. Prepared to move out
in nothing.

He didn't pack up in time.

Left his bag & table on roof of car.

Upsetting for kids.

Hard for Mariee to see him do that.

Then got into stupid things & got charged to
pedophilia (porn)

He's v. smart & manipulated her.

She's says he's been framed.

(Mavee)
on eggshells.

Want to resolve it.

What have I done wrong?

Angry

Keeps me awake

Talk about it constantly.

Poisoning my relat.

Alcohol - to relax me.

Keep busy. - way I deal in things.

> walking

> clean
