

# NATUROPATHIC TREATMENT PROTOCOL

Patient name: Emilie Richard

Practitioner: Amy Phillips

Date: 12/08/22

---

## OBJECTIVES

---

- Reduce sympathetic nervous system activation to minimise stress & anxiety & improve sleep
- Investigate & treat nutrient deficiencies responsible for hair loss & hormonal acne
  - o July 22 bloods - **Iodine levels low at 70**, increase to >100
  - o **Serum B12 levels low 396**, increase to >500
- Support optimal fertility to help conceive & maintain healthy growth of embryo
- Modulate immune response to manage/reduce psoriasis presentation on scalp
- Address gut microbiome health to support health & reduce cramping/flatulence

Results found in Microbiome Mapping July 22'

- o Low Levels of beneficial bacteria **Bacteroides fragilis**, **Bifidobacterium spp & longum**
- o High levels of beneficial bacteria **Clostridium spp**, & **Akkermansia muciniphila**
- o High levels of opportunistic bacteria (overgrowths), **Streptococcus spp.** & **Methanobacteriaceae**
- o High levels of parasite **Blastocystis hominis**
- o Slightly elevated levels of fungi **Candida spp**
- o **Low Secretory IgA (207)** to increase to over 550

---

## DIETARY INTERVENTIONS

---

- **Read & follow an Anti-inflammatory diet** (handout attached) for the next 3 weeks
- **Consume foods high in magnesium** eg. Dark green leafy vegetables, lentils, pumpkin seeds, quinoa, almonds, cacao powder (Lindt dark chocolate over 70%)
- **Limit all gluten & dairy** containing foods – if this is too much start with one & then add the other later
- **Simple swaps for gluten/wheat** (health food aisle of Coles & woolworths)– quinoa, buckwheat, lentil pastas/noodles, organic white basmati rice, seed breads, kelp noodles
- **Swaps for dairy** – Organic brands or [Ayam Premium Coconut Milk/Cream](#) (from coles/woolworths) diluted with water is a cheaper option for milk

- Recipe for homemade almond milk - <https://www.staraniseorganic.com/blog/2020/1/17/how-to-make-almond-milk-almond-pulp-biscuits>
- **Rotate protein intake** weekly – 2 days x grass-fed red meat, 2 days x wild caught/free-range white meat (fish, chicken/turkey), 3 x days vegetarian (tofu/lentils/legumes)
- Try a **strong peppermint & chamomile tea** (double bags of each) after dinner each night to minimise abdominal cramping/discomfort. Heat packs can also be helpful.

---

## LIFESTYLE INTERVENTIONS

---

- Practice **mindful eating techniques** to improve absorption of nutrients especially B12 (handout attached)
- Continue gym & low intensity cardio exercises 4-5 times a week
- Implement strategies from **sleep hygiene handout** (attached) & practice one of the below activities each night before bed to help reduce anxiety
  - The Tapping Solution - <https://www.thetappingsolution.com/>
  - Havening Technique - <https://www.youtube.com/watch?v=09IDxrXAi2s>
  - Progressive Muscle Relaxation - <https://www.youtube.com/watch?v=ClqPtWzozXs>
  - Vagal Nerve Stimulation Exercises (5 minutes each time) – Humming, gargling, singing, laughing, cold water therapy

---
