

7.6.24

Isabell

OP Wed. last week - 17 fluoxetine.

Told f° → ambulance → ED

D/C home then went to H° on Monday.

May need family mediation.

Ensuring her health & wellbeing.

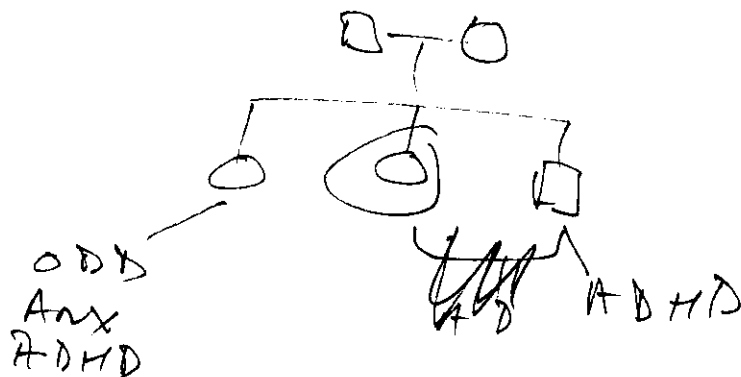

Dev<sup>+</sup> hx

normal birth

hit milestones

Silent reflux.

Easy going; good nature

F° - all women Dx bipolar.

Jason

A° }  
MGF } suicide  
MGW } suicide.

No contact in his biological m°.

M° - no MI  
thyroid.

M° - 1st child at 19.  
Isabell at 21

YR 7 - challenges since 1/2 way through YR 7.

NI - "Wrong crowd; skipping school"

mood change;

bullied

→ did schools YR 8

settled for a bit. Then < again

a bit of anxiety, etc to school.

This yr. a lot of things came out what happened  
end of YR 7.

George - weekly - on - off due to holiday sickness

YR 8 - Southern Cross psychology.

1st time taken to TAC - no bed in feed.

March 2024. (panic attack - school called  
ambulance.

Recent YSH noted → TAC for AX

Dx dep + anxi

---

End YR 7 - got into relat. 2° peer pressure  
He started abusing me + sexual assault  
for 3 mos

THC to get away from everything + to feel normal  
He told me he'd kill me.

Did want to my school → triggering; didn't want to go  
to school.

Hanging in wrong crowd + fighting in them.

Mood swings - not smoking.

Stopped recently for a boy. He doesn't like me

He's the 1st boy I feel safe around since rape  
+ I love his family.

'not official' - 1 month.

No THC 1/12.

When I was smoking, I felt normal + myself.

A.O.D.

13 cones a day

Before school, lunch, after school.

11yr when started

11 when started high school.

~~15~~ - Gradually  $\downarrow$  to daily 12-13-14

14-15 - 8 cones / day but not every day.

? 1st

- people I was hanging 'ic.

1/2 PM - I ~~test~~ asked her.

F<sup>o</sup> used to smoke daily.

When bro born, he  $\downarrow$  to a few / week.

M<sup>u</sup> - no AOD

Before O/D - tearing room apart looking for something; crying

(I'm not a cryer)

Had a job

Got it by favours. Never paid for it.

Don't want to rtn home.  
v. toxic

Living at As + seeing how well they treat their kids, opened my eyes.

So much happier there

I have routine; get up; better days at school.

I hate school, but I'm going

I've been heartless since Yr 7, but now b/f bringing out my inner child.

When I O/D - F<sup>o</sup> flogged me; beat s<sup>t</sup> out of me.

Love cars + TAFE + doing mechanics

Monday at school, broke down + told school counsellor  
→ reported; cops came to school.

M<sup>o</sup> came to take me to counselling appt.

F<sup>o</sup> called M<sup>o</sup> in car + said cops wait up.

S<sup>o</sup> toxic gas lighting b<sup>t</sup> don't talk to her

Counsellor bought me cheap phone so I could call for help if needed.

I don't want to go

Grew up being independent as M<sup>o</sup> att<sup>n</sup> a younger + older 2 2<sup>o</sup> their issues.

I felt v. neglected. But wouldn't be who I am today without it.

Learned to not rely on others.

Was doing hairdressing in city.

But to city every Sat.

Loved + hated it. Wouldn't go back there. But need another job.

F<sup>o</sup> always angry + frustrated

M<sup>o</sup> always tired after work.

S<sup>o</sup> goes through my room; read my journals + told family

In A<sup>o</sup> house, my U<sup>o</sup> so lovely to kids; beautiful to see.

A<sup>o</sup> likes me being there.

(Mother's ~~the~~ brother)

CSA - age 12. He was Aborigine

In YR 10

Too scared to have them charged.

Sexual assault counselling in 3/12.

Forced into counselling.

If they don't want to love me, I'll find someone else to love me.

Can't

F° always been rocky. I was always expected to fight to have a 1/2 decent relat. to be treated like shit.

M° makes excuses - saying he has a lot of trauma.
