KIM GRAHAM

GM passed away. I was her carer for 15 yrs.
She was my N^o; my world.

Anxiety & depression always

30 yrs ago Pop died

6/12 after → anxiety

Xanax for 20 yrs.

Saw 4 at STOG → 200ft 2 yrs. Good

GP said medⁿ to 3 + < <

Woff off everything for 2 days then start 200ft again

Getting angry.

No one to turn to. N^o made everything OK.

I miss her & want

30 yrs to the day my Pop died

13.12.23, big lump on neck → scans → blood clot & G.

Stage 5 kidney failure

Year before 4th hip

Home for Xmas

Diarrhoea

Palliative care to help me. So rude.

On morphine

A lot of pain → ED

Vomiting up faeces.

Going to visit & told 'did you know she's already passed?'

v. upset. Died on her own.

Having Cam at Brit

I got green up there.

Drove past - all being rapped up in 2 weeks.

As if she didn't exist.

Hate my car as N^o always in it

" going out

" people

⊕ stay at home & my dog.

Non Richmond

ie son - 25 - Brodie

1 child

N^o - 94 yrs. told me to be strong

A^o & G^o

Family all broken.

Relat. to N^o - but a lot of problems there.

Did a lot of st^h to me when I was young

Don't speak to

Feel so alone.

Chronic neck pain

Diabetes

Applied for DSP - rejected twice

On job seeker - \$750 fortnight - waiting for it to
Can't survive on that come through

No savings

Rental accom.

2 times for driving

⊕ bowel screen.

Locked shoulder - left

Don't drive at night

Won't " in rain

On a lot of medⁿ (had accident in rain)

Diabetes - Oranpio

BP -

Somal

2p10ft

citrol? resten legs

Cholesterol

gabapentin for two

tramadol

Medic. for neck

1.B.S. - 2yrs

3yr ago -

4 SF04 -

Won't go to hospital

Convin has schizophrenia

THC at night - helps in legs

1 cone in tobacco

Tobacco

MH not being treated properly

> colouring in + diamond paint is

Have seen a few counsellors.

See GP every week

Bad day - can't go out

Dermatitis in feet - can't wear shoes

aching + swollen feet.

Forgetting things

Preeclampsia

6 weeks in westmead prior to birth

Always had my back

2 close girl friends

My family so toxic?
