Husband was in prison & I divorced him

He had such control over everything I did.

As long as I did everything he wanted, it was ok.

They'd get upset & he'd hit me

I sold the house I'd bought off him

He had 3 properties

- family home

- 2 others

Before he went to prison, I said I was leaving.

He said I could have $\frac{1}{2}$ the house.

I got a loan & gave him money.

I had mortgage. He went into prison.

Visited him in Litchgow every w/e. Don't know why

Then renovated the house

He wouldn't let me work. His way of controlling me.

He wanted more kids

I had 4 already. Couldn't do it $\rightarrow$ TOP.

My 50 had to come & help me. He didn't

speak to me for 3 weeks.

sentenced to 3.5 yrs. + I didn't see him again.

He was on parole + liv

(drug manufacturing)

When drug squad came, phoned
Daughter in police force.

Solicitor told me I was entitled to 1/2 of assets, but
I refused as he would or say he was right (I was
only there for the money)
