Came to Corrections. Some guy on other side
Guy waving^{atus} - I said 'What's going on?'
thought she was waving back.

→ 9. her; feel angry

& intensity of anger

recognising it's a trigger - trying to control it.

Talked to her & agreed I would tell her

I'm going to snap & she needs to stop.

→ walk out front

1. Heat

2. I see red

3. Lose it; Verbal

yell at her; interrogate her.

4. Might hit something - not her.

Don't want to hurt her

→ walk away.

Never seen F but M^o

F^o used to ~~use~~ his F^o beat up his wife.
Partner - 47. (I'm 34)

Known her for 6 yrs. Together 3.

Better in house.

In tent - stress. Can't control heart.

Robbed H

? onset of temper

best relat. when realized she was cheating.

F^o hurt. I thought we were forever & she was pregnant. How could she do that? I provided everything for 2 houses. Bought 4 cars. We had money but she spent it & had to take her car. She went in a close mate

Sam is 12yo. Not seen him since he was 5yo.

I was running smoke at that time.

Gang life 3yrs. 18-22/23

Where's it going to get me in long run?

Previous relat. 19-22. He was 5yo

had son - 22yrs.

she was worried about the lifestyle & safety.
I was worried about that too. Didn't want anything to happen to them

When met her, working P/E & had money; living away
Flying around AUS.

V. good money, so wanted bikes & parties & went from there. Then quit work & be the gang all day.

Being around them, learned to not back down; aggression; they reacted/snapped quickly at each other.

Went off the rails

Glad I left it behind. Would rather be straight

F^o stopped talking ^{to me} Dan & want that again

Won't be alive forever.
