Won't be able to keep the house

Thinking of best options

Spoken to bank & real estate  
Should be able to afford something

M<sup>o</sup> might be able to help

Looking online

Tup makes me feel better

⊕ my own space.

Craig not following agreement re: mediation re  
notice to pick up kids.

So annoying.

It's still his home + he has right to enter

So thinking it might be nice to have own space.

Trying to find the positives.

⊕ stay in Bligh Park.

⊕ be in Hawkesbury

⊕ stay in house for this year

Know what I need now;

I need somewhere for the kids & animals.

⊕ make appt. w. my solicitor; write up what I  
want to say - see what

Lesson

- speak up about what I want
- confident that my reasons are valid
- take 1 step at a time & don't stress too  
far into future
- don't get too fixed on one solution
- there are ways around things
- realise that I react & then will move on
- things will be ok.

I'm a problem solver; think logically  
like to figure things out  
I don't like  $\Delta$  but can see the positives.

I don't need to think about his feelings. Need  
to think about what's right for me.  
Don't need to worry about him anymore.  
Not taking it personally.

Get the house ready  
Tyler finishes school this year.  
Next year, just be Lacey.

to motivation for uni is only 1 subject.  
Doing ". Keeping up.  
Thrive on busyness.

Friend in Q&D; often talk about a possible future  
together.

He's found someone.  
Made me realize I need to let go of that; that  
I'm a back up; in + out of my life

Don't accept people who are in + out + don't  
say anything.

Good lesson before I go out

F: sed. Had connection to him since teens.

All through my life I'd just go back to him.

He was my 1st b/f at 14

25 yrs on - like no time passed.

Has helped me get through this  
strong connection but can't be back up plan  
or get hopes up.

We've never been just friends

Finally learned I've got to speak up.
