

2.4.25 Laigue

DV

DV case

Ex partner - (together 1 yr)

separated & he became a stalker & harassed me.

Months of him following me home from work

went to police after he attacked my current partner

Coming to home trying to back home down.

Living w/ new partner - of 9 mos. (a few months after separated).

police charged him. Going through court

(+) he left alone

His friends now mess me.

He breached the AVO (got out on bail)

affect

Want to be happy. stopping us

frustrating

crying a lot.

upsetting

- seeing new partner get hurt (punched & knife held)
threatened to kill him

→ worried all the time.

watching our backs.

Sleep

- GP prescribed sleeping tablets; not helping
the
=< since

- nightmares.

- Keep thinking he's in the room

He was too much for me. ADHD. Not what I wanted.
I broke it off. He didn't take it well. Kept trying to
contact me.

He's contacted my f° +

Dreams

He kidnapped me.

Bad stuff he's trying to do

F: Scared him doing something

R: Wake up.

One night he tried to break down on door (when on MDM) (poly substance use - Coke;

GP Dx CP TSD

- Been through this before

- violent relationship before - 3-4 yrs ago (last presentation in June 2023)

Person I thought I wanted isn't healthy

'Someone to keep me on my toes; not boring

wanted excitement but violence came later

Both were into AOD (which I didn't see till later)

1st b/f - Maori

New partner - v. different. Realise that nice guys are good too. I thought they were nerds + boring

Own business - transport + children's charity. Has 40 (previous partner was 43) (Brendan)

Live it his house

still don't talk to M.

F - no A. Can't talk to him.

1 bro - 4 yrs older. Having baby in June.

Has invit M to baby shower. Not seen her for 3.5 yrs.

Serious relationship

work - manager of restaurant

want to leave & get back to support work

want to TAKE & studied Community Services Cart IV

Care of NHS clients - really rewarding

Enjoy MH work, DV work because I went through it.

Helping others helps me.

S + S

⊕ run.

⊕ Touch stuff. - eg. have to touch walls or something will happen.
Fiddle w. everything.

support

only Brendan I can trust. He has supportive parents.

Feel terrible Brendan caught up
