

Samantha 30.10.29

most financially secure I've been in my life.
Independent.

Joint pain + bloating prior menses

Don't do anything.

No social life; don't go out

Family: no regular contact, see mum regularly; I like home
Being home alone; bed is my fav. place.

Hoard things

A lot of my relat. are difficult + 1/2 the common denominator.

Career: striving for more.

P Devt: lets I'd like to do
exercise
study.

Learn better face to face

Lifewheel - out of balance. Room to improve

(+) focus on health + wellbeing

1 - finding time to exercise; changing diet.

Unsure where to have play / fun.

My work is fun. Workaholic. - why I want to go to work
fear of failing

At work I can be myself; no worries.

I love working

Dance around, laugh + play. Really great.

Diet - too much take away

Dustin - all processed food; refuses other food + new
foods. He has sensory issues

Pre-packaged.

Unhealthy relat to food.

GP said I have eating disorder.

Calorie count. + don't eat after take away.
