- hot.

- hard to get up but not an w/e.

when he wakes, spends ages patting penis

Food options have grown.
still

Sensory in soap, cream, toothpaste.
textures

Ok in tooth clay

Sensitive to smells - eg. yoghurt; BBQ sauce

⊕ calamari, octopus, prawns.

used to only eat separate foods; now eats a sandwich.

v. self-conscious about how he's perceived.

Catastrophes

Seems no one wants to play w/ him.

Det. Lindler

⊕ soccer.

Thinks he's getting more work than others.
Meltdowns

He like to control the game.

Can be out of his shell

Feels incompetent - deters him
If can't do it 1st, doesn't want to do it.

They don't like me

Don't want to include me.

v. particular about his outfit;

av. being squashed/confined (car wobble seat).

Thinks teachers don't like me.

Loves to dance. - on dance floor for 3 hours.

Was a page boy.

In his element; ⊕ dance by himself; - his own class
enjoyed the attention

(Inward + shy)

Didn't want anyone in his space but liked the
attⁿ but didn't want int. reaction.

⊕ Cuddles. in 15 min. M^o + F^o + stere.

⊕ hide

⊕ rap music

Relat. breakdown - may have contrib

Not good at opening up about feelings

At school - av. to talk to teachers.

Rob's family - supportive

Struggles at school; 1/2 work.

Had lots of intervention

av. being singled out; he feels incompetent
a friend who's smart + articulate

Friendship trio -

Hits out when pushed into a corner.

He's viewing it as disrespect.

Leaves out when pushed into a corner.

Locks all doors to pro
Ham to take all his clothes H.

Neg core belief: stupid
